

South Staffs Autism Parents Support Group

Do you have a child or young person with Autism Spectrum Condition?

Come along and have a cup of tea and chat about ASC!

An opportunity for parents/carers of a child or young person with Autism Spectrum Condition (ASC) to meet every 6 weeks or so, to exchange experiences, advise and support. The format of the meetings is semi-formalised with a talk/presentation at the start from an ASC professional or someone with a particular association. Then followed by a discussion and time for everyone to chat and have a cup of tea together.
