

Volunteer needed to look after our bird and bat boxes, which are checked at least once a year.

Must be able to climb a ladder (supplied).

Some simple construction necessary. Access to tools and a workbench useful.

If you enjoy the outdoors, wildlife, working with your hands and have a small amount of time to spare why not join us. WAP rewards it's volunteers with the satisfaction of doing something worthwhile for free.

For further details contact Keith Elder, 01902754245,
